SNOWMOBILES & ATVs; SHARING the ROAD: On Wednesday, February 13th, Council enacted a new Ordinance 187 permitting joint use of Borough roadways for properly registered and operated and insured snowmobiles and ATVs. This new Ordinance is permitted by recent changes in state laws and is viewed as important legislation for recreational and recreation-friendly communities such as ours.

The Ordinance is available by clicking the link below. There are many important provisions, restrictions, limitations and nuance in the Ordinance and, more importantly, *the underlying state laws.*

Golf Carts are specifically excluded from ATV, Snowmobile or NEV regulations and provisions and are thus NOT permitted under these ordinances.

There is an open discussion topic on the Smoke Signals Forum at: <http://indianlake-pa.net/smf/index.php?topic=188.0>
